BY CRANSTON & NORMAN,

127 THAMES STREET. WEDNESDAY MORNING, SEP. 17, 1851.

President Fillmore arrived here in the Bay State from New York yesend ty morning, about 10 o'clock. A caare was fired from Fort Adams, and by the Artiflery Company. The bells re rung and flags were displayed trom the shipping in the harbor, and at other place. He was escorted from the beat to the Belleviae House, through the principal streets, by the Warren Arullery, Newport Artillery, Protection Fire Company, and Arquidneck Hose

If any speeches were made, we have a knowledge of them. It is usual on ech accusions for those who have arge of the arrangements, to give noto the editors of newspapers of what , he done, so that they can make arrangements to report the Prolings. No such notice was given to and consequently we cannot tell any re than we have, of the doings. As said yesterday, had the arrangement we reception, in the commencement, a in the hands of the friends of Presof Fill pore, the whole affair would . nect, very differently arranged. --- il hier of Rhode Island admire and Fillmore, and he well knows - there is no more thorough Whigh see in the Union, notwithstanding a are betrayed into the hands of the loscores, last winter, through the malicel or ignorance of a few weak men. At 12 o'clock the President went to the

to a large number of our citizens. The President is accompanied by Mr. Cannad, Secretary of War, Mr. Stuart, of the internal Mr. Bradley Post Masfor at Washington, Mr. Surgent, editor of the Republic, Mr. Crampton, Charge de Affaires from England, Alderman Holbryok, at Boston, Mr. Bribley, of Beston, Marshal Tallmadge, of New A ris, and Marshall Devens, of Boston.

State House, where he was introduced

17 We learn that Dr. Wood will open n music class, in a lew days, -- or, at least, as soon as the necessary acrange ments can be considered. All those desirous of learning the "divine art," will do weil to attend. Dr. Wood is doing much for the advancement of music in our community, and we hope the citizens will feel that he must be sustained

Passon of Cluments .- The United States marshal for this district this morning (ceeived from the President the free pardon of Clements, who was convicted of participation with Douglase and Benson in the murder of Asa Hayeas, second mate of the barque Glenn -N Y. Com. Adv.

The Cinciunati Gazette saye, that on Saturday night last, a party of men and boys, with an engine of one of "a fire companies, ussembled in front of a house of questionable reputation, and after breaking the windows and doors, entered and carried all the furniture, including a piano and some very costly seths, chairs and mirrors into the street, where it were set on fire and consamed. Hose was run out and the hause flooded with water. The properis a strived was vidued at \$1200 .was of the rioters were arrested, and head to had for exact ination. The Ga zone says these disgraceful affairs are coded "washings out," and this is not the first that has occurred.

The l'ampero, the vessel captoy by the Lopez expelition, is said to long to Maj. Heiss, formerly of the Vashington Umon, and the proprietors he New Orleans Delta, the paper nich was chiefly instrumental in getang upon the last expedition and leadand so many indiscreet and unwary young men to disgrace and destruc-П.

55 A physician living on the margiof the Hudson River railroad, advertises to sell out. To a person who wishes to acquire a knowledge of surgery. the location, he says, is superior to any in the country. Flattering notice, that

Two instances of bujas are all I have to re-read a those of Jankins alias Buens, and Stewart. The "Committee" have others of the same kidney, but what will he does with them I do not know. The $+\chi_{\rm collision}$ Committee" is composed of the princest and must influented men of the city, and it has done a vast deal of $g_{s,t,t}$. It is readposed of about one thousand, $g_{s,t,t}$ such objections as would ax chile a man from becoming a Odd Fellow would exclude him from becoming a nearber of the "Vigilance Committee" of this city. Their expenses

earthy prison, and have a stending cor \$4000 for the arrest of an incon-The court, too, through the action of this hody, have been include to action as ! if they continue to do up tainess as promptly as they have for few weeks past, this community will soon became purged of a portion of its more during rogues, business will be-come exided, the markets assume a stahisty, and good result to all concerned. Business for some time past, has been quite brisk, though most kinds of goods have been selling at a less to shippers. Stockton never was doing more busi-ness than at present, while Sacramento has been gradually talling oil. The fire in Stockton deranged business there

too this city. Their expenses an one to about \$12,660 per month,

which sum is readily made up among their sum number. Besides this they have raised \$15000 for the completion

for a time, the entire business portion of the fown using consumed, together with nearly all the goods on hand, but it has arisen Phonix like, though many of its buildings are mere temporary edifices, with some few brick ones are going up-tries buildings, four mar my stores bigh and many more in the course of erection, put up in a substantial manner, calculated to withstand the fiercest flames. Uncle Sam is erecting three large cast-iron buildings, four stories high, on Euttery street, to be used as

honded ware-houses.

Drinking Saloons, attended by pretty women, are all the rage in this city, and in order to attract attention, many of the dear creatures have donned the Bloomer style of costume. A pretty young lady who keeps a millinery and fancy store in Clay street was the first who appeared in a Bloomer, and for a few days the street, in the immediate vicinity of her store was so thronged with gents striving to get a peep at her, that it was admost impossible to pass, and and I understand she sold out every artiole of gentlemans apparet the very first day. A friend of mine told me he threw away his bat-band so that he might make an errand into her shop, to get a peep at her. Ladies are getting more abundant every day, large involces" having recently arrived from the English colonies and France and in a short time I expect they, like most other articles of merchandize, will be quoted

below par.

Our State and Congressional election takes place in September, and it is Impassible to conjecture which party will come out triumphant. The caudidates for Congress and for State officers, from the Governorship down, have been very Wecks State, and each one thinks no doubt, pass some article of food that was near that the election is safe.

I have no astounding discoveries of him. gold to relate. Too many large stories have already gone home, and too many credulous ones have been victimised.

KPDigby rat for a long time very attentively considering a cane-scatchair. At length he said. "I wonder what terlow took enough pains to find all them holes and put that straw around 'em I''
